A Are you entitled to a refund?

We will pay you a refund if:

- you are the current or last registered keeper **and** you have recently sold, transferred or exported the vehicle.

You should have filled in the relevant part of the Registration Certificate (V5C) and sent it to us. If you have not done this yet, you should enclose the relevant section with this application. If you do not have the V5C, you will need to include a signed letter with this application. Give us the vehicle registration number, the date you sold or transferred the vehicle and the name of the person or company you sold or transferred the vehicle to, or the date of export.

Or,

- you are the current registered keeper, you have received a Registration Certificate (V5C) for this vehicle from DVLA with your name printed on it, **and** you have done one of the following:

Made a Statutory Off Road Notification (SORN)

If you do not keep or use the vehicle on a public road, you must make a SORN. Please fill in section 3 of this application form.

You must not use or keep your vehicle on a public road while the SORN is in force. Garages, driveways and private land may be considered as off-road areas.

If you keep or use the vehicle on the public road you must tax it first. This can be done at any time using your V5C.

If you tax your vehicle within 21 days of making a SORN you will not qualify for or get a refund.

Scrapped the vehicle

You should have taken your vehicle and its Registration Certificate (V5C) to an Authorised Treatment Facility (ATF). If you have not done this yet, you should do this before you apply for a refund. If you have not received a Certificate of Destruction (CoD) as confirmation of scrapping, then you need to notify us by filling in section 9 of the V5C and return it with this application.

If you have passed the vehicle to an insurer to be scrapped you should fill in section 9 of the V5C and return it with this application.

If you do not have the V5C you will need to include a signed letter with this application. Give us the details of the vehicle, the company that scrapped it and the date it was scrapped.

Changed to a nil value tax class

You should have already changed the vehicle's tax class to a tax class that is of nil value (such as 'Disabled'). If you have not done this yet, you should do this before you apply for a refund.

Reported the vehicle stolen

You should have reported the theft of the vehicle to the police. If you have not you should do this before you apply for a refund. If the vehicle has been recovered with the tax disc you will need to tell us if you have; sold, transferred, exported, scrapped or taken it off the road and made a SORN.

If you do not tell us that you have sold, transferred, scrapped, exported or made a SORN on your vehicle, you will not receive a refund and may be committing an offence.

Your application will be rejected if your name details do not exactly match those shown on your V5C.

If you have not had a V5C in your name you are not entitled to a refund.

You should not apply for a refund if your vehicle is about to have its registration number transferred or retained.

B How much refund will you get?

To get a refund for each full calendar month left on the tax disc, you must post this filled-in form to us **before** the first day of the month you want the refund from.

If you bought a six-month tax disc, you paid an extra 10% surcharge, which is not refunded.

If you paid a higher "First Year Rate" for a newly registered vehicle's first tax disc, you will only get a refund based on the higher rate if the vehicle has been stolen, scrapped or the vehicle's tax class has changed to a nil value tax class such as 'disabled'.

If the vehicle has been sold, exported or you have made a SORN your refund will be based on the lower standard rate of vehicle tax applicable to that vehicle. For more information on first year and standard rates of vehicle tax please go to www.gov.uk/vehicle-tax-rate-tables

If you have a Heavy Goods Vehicle (HGV) and have paid road user levy, for information on the refund go to www.gov.uk/apply-for-tax-disc-refund-form-v14

C If you are a motor dealer or fleet owner

If the vehicle is not, or was not registered in your name then you are not entitled to a refund and you do not have to make a SORN.
